

APA Format Assignment Instructions

ENGL 1301

For this assignment you will be using Essay 2/Rabbit Hole and formatting it in APA style.

1. Open up your Essay 2/Rabbit essay and **SAVE AS** Essay 3.
2. Using the instructions in [Writing down the Basics](#) and the video you watched for homework or another good source, re-format the paper in APA. Make sure you are using the APA 7th edition guidelines.
3. Using the information in [Writing down the Basics](#), the library, and the [Purdue OWL APA Format Pages](#), as well as help from the writing center, change your citation, both in-text and those at the end of the paper, to APA formatted citations.

For the sources you got from the library, go back to those, and use the citation generator there to get the References page citations.

General Tips

- To **insert a new page** (for your cover page) press CTRL + Enter, or select "Insert Page Break" under the INSERT tab in Word. (Macs use Command + Enter)
- [APA Style](#): the official APA Style webpage. A great place to search for weird things you may need to cite. Here are a few that might apply to this essay.
 - [Instagram](#)
 - [Online Media](#): Has links for social media and webpages
 - [Film and Television](#)
 - [Podcast](#)
