While this is not an online class, if you do need to work from home for a while, you will need to go to our Blackboard classroom and log in to access the Class Collaborate room. Simply join the Course Room session. Make sure to read the [attendance policy](#) and the note on this in the [Class Notes assignment](#).

*If you are absent during class time or want to review:* Find class recordings on the appropriate playlist.

- [8:30 am class](#)
- [1 pm class](#)

If you have an appointment, or cannot attend during class time, you will be counted absent, but you can still get the class lecture and take notes for the day. Again, see the [Class Notes assignment](#) for instructions on turning them in.

Additionally, you can use these videos to go back and review information as needed.
