WEEKLY SCHEDULE

All of the reminders in this area on the 1301 schedule apply to this schedule as well.

This calendar lists readings, video lessons, and due dates for INRW 0311 assignments. In addition to these assignments, we will meet once a week online or by phone to talk about assignments, plans, and progress. Each aspect of this—written assignments and our work together—are key parts of your final grade and your success in ENGL 1301.

Make sure to watch any "What's Going On?" videos I do specifically for INRW. I'll send out an announcement/message when I them, but you can also [check out the playlist for them here.](#) Remember, they are part of the course.
