STOP!
READ THIS CAREFULLY!

Things did not go well this last week—though they weren't the worst. I am not going to be able to do face-to-face classes for the foreseeable future. We'll be doing everything else online. Please see the schedule.

We will do the workshop online as it's set up there. Text/call/email me with questions and if you want to talk. (**Do NOT** message me on Blackboard. Email kwood@epcc.edu)

I will be as available as I can, considering the circumstances.

[Schedule an online conference with me here](#) to talk about your work and work on things together. *Please do not schedule a conference if you just have a quick question*—text or call about that. (But, review the [syllabus discussion on page 8](#) on what reasonable contact hours are.)

After this week, our new schedule is based on a weekly layout, and each week lists what you need to do (READ | WATCH and DUE) and the times things are due.

Make sure you take time to watch the ["What's Going On?" video](#) at the beginning of each week. I will do my best to get those uploaded and published by Monday morning. Those are considered part of the class.
