## **STOP!** **READ THIS CAREFULLY!**

Things did not go well this last week—though they weren’t the worst. We will do this next week (April 19<sup>th</sup> and 21<sup>st</sup>) in class. We'll be doing everything else online. Please see the schedule.

We will do the workshop online as it's set up there. Text/call/email me with questions and if you want to talk. (**Do NOT** message me on Blackboard. Email [kwood@epcc.edu](mailto:kwood@epcc.edu))

I will be as available as I can, considering the circumstances.

[Schedule an online conference with me here](#) to talk about your work and work on things together. *Please do not schedule a conference if you just have a quick question*—text or call about that. (But, review the [syllabus discussion on page 8](#) on what reasonable contact hours are.)

Our new schedule below is based on a weekly layout, and each week lists what you need to do (READ|WATCH and DUE) and the times things are due. For most things I’ve moved it to midnight, but double check each week.

Make sure you take time to watch the [“What’s Going On?” video](#) at the beginning of each week. I will do my best to get those uploaded and published by Monday morning.
