Digital  
Schedule

Go to [www.kelli.ninja](http://www.kelli.ninja) and click on **Schedules**, where you can download a digital copy of this daily schedule to access the links.

Refresh  
Schedule

Make sure to refresh and check the schedule on a regular basis. You should look over homework and what we'll do in class for the week ahead at the beginning of the week, then check it at least one day before each class meeting to have time to complete lessons and homework before coming to class.

View or  
Review

*If you are absent during class time or want to review, find our class recordings on this playlist: [0311 MWF @ 11 am](#)*

If you have an appointment or cannot attend during class time, you will be counted absent, but you should watch the class lecture and take notes for the day through the playlist link above. Turn those in during the next class period. Again, see the [Class Notes assignment](#) for instructions on turning them in.
